Get your MOUTH

ready to make the first sound

SLIDE through the whole word

Spell

the word out loud

Reread

Does it LOOK right?
Does it SOUND right?
Does it MAKE SENSE?

If not -

 **STOP**, go back, and read it again!

Skip hard words and then go back.

...Skip...
...Go back and read...

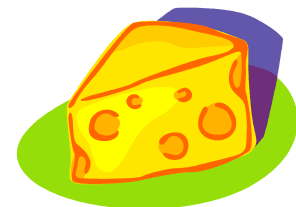

Try a different **VOWEL** sound.

Think of a **RHYMING** word you do know.

"If I know c-a-t spells cat, then h-a-t must spell hat."

"Chunk it"

Look for smaller words hiding inside.
